THE SBA STORY

BOB
LACOURSIERE,
President

For the first time in many years one organization has taken over all baseball in the province of Saskatchewan. For a number of years there has been no Senior Baseball playoff, and during the past season there has been no organized baseball playoff for junior age players. At the Fall Meeting of the Saskatchewan Minor Baseball Association, held in October, 1964, at North Battleford, it was unanimously agreed that the SMBA, besides sponsoring Sandlot, Bantam, Midget and Juvenile, also sponsor Junior and Senior age playoffs.

For many years, the organization known as the Saskatchewan Minor Baseball Association had successfully sponsored and promoted Minor baseball throughout the province.

This move seemed the most logical development, and although it is too early to tell, the move certainly has been met with wide acceptance and approval throughout the province.

Besides sponsoring and promoting the four minor divisions, there will now be a province-wide playoff for junior age players as well as a playoff for senior teams. There will also be a playoff known as the SBA Major Division for teams coming from leagues which pay ball players. At present, two such leagues operate in the province. These are the Northern Saskatchewan Baseball League and the Southern Baseball League. There is also a move afoot to promote a province-wide junior league with entries coming from the major centres in the province. Baseball is undoubtedly on a comeback throughout Saskatchewan.

SBA LEAGUE SANCTIONING SYSTEM

AL URE

It is the desire of the SBA to have all baseball leagues, especially Juvenile and under, in the province sanctioned with the SBA. Sanctioning is a method whereby the entire league becomes affiliated within the SBA. Leagues receive an official League Sanction. No individual team can be sanctioned although individual teams can still enter playoffs.

1. ADVANTAGES OF SANCTIONING

Sanctioned leagues will receive the following services for their sanction fee:

- A. A League Franchise Certificate, suitable for framing.
 - B. A certificate for League Batting Champion, suitable for framing.
 - C. Playoff registration for teams in League, at a reduced price (extra fee of \$6.00 for team entering Provincial Playoff).
 - D. One Coaches' and Managers' Handbook per team.
 - E. One SBA Annual per team.
 - F. One SBA Constitutional Manual per team.
 - G. One SBA Rulebook per team.
 - H. One subscription to Saskatchewan Baseball News per league.
 - I. One Executive Handbook per league.
 - J. The right to use the office of the Umpire-in-Chief of the Saskatchewan Umpires' Association for interpretations and rulings on protests arising during local league play.
 - K. First choice of sites for umpires' schools, baseball schools, or playoff tournaments.
 - L. All special services and publications.
2. All sanctioned Leagues may take advantage of the following relaxations of the No All-Star rule:

NOTE: THESE RULES DO NOT APPLY TO UNSANCTIONED TEAMS. Henceforth, unsanctioned teams shall be known as "D" teams.

- (a) "A" LEAGUES: for all cities over 10,000 population and those over 5,000 which use the Limited Selection Method of Recruitment. These teams must enter playoffs with the roster that played in their local league with the addition of TWO players from other teams in their league not entering playoffs. All league members are eligible to enter playoffs.

NOTE: All local team rosters must be submitted at the time of sanctioning or by June 1. All city teams entering provincial playoffs must be members of sanctioned leagues. If no sanctioned league exists within a city, a special application must be made to the SMBA executive.

For when the one great scorer comes
To write against your name,
He marks — not that you won or lost —
But how you played the game.

REGINA

(b) "B" LEAGUES: for all cities 5,000-10,000 using the Mass Participation Method of Recruitment and for towns 2,000-4,999 regardless of method of recruitment. This group would be allowed to strengthen their regular roster by the addition of FOUR players from teams in their league not entering playoffs. All teams in the league are eligible to enter playoffs.

(c) "C" LEAGUES: for all leagues whose boundaries do not contain 2,000 persons. Teams in this class can add SIX players to their regular roster from teams within their league not entering playoffs. The purpose behind this is so that the team or teams representing the league in Playoffs will retain a portion of their local league identity.

NOTE: In no case shall a team register more than eighteen players.

(d) "D" TEAMS: are entries for playoffs from unsanctioned leagues. They may still enter Playoffs under regulations outlined for Sandlot, Bantam, Midget and Juvenile clubs. They must enter the roster they played in the Local League play and under no circumstances can they be All-Stars. To enter Playoffs they must pay a \$15.00 entry fee.

NOTE: If, for some reason, you have a local problem and your league or team does not fit into any of the above classes write to the Registrar for a ruling.

3. All teams of Sanctioned Leagues have a vote in SBA affairs at the annual meeting.

4. Sanctioned Leagues will be given consideration in arrangement of Tournament, Ball Schools and Umpire School sites.

5. By Sanctioning the entire League, the SBA is strengthened. A stronger SBA means a stronger Baseball Program throughout Saskatchewan.

6. WHAT DOES IT COST TO SANCTION?

A four-team league sanction costs \$10.00, a five-team league \$12.00, a six-team league \$14.00 and so on. Each team entering playoffs will pay another \$6.00 registration fee to the Registrar.

7. APPLICATIONS: Applications for League Sanctions should be made as early as possible. No league will be sanctioned after June 1st. Application forms are available upon request from

All such certificates should be submitted by Registered Mail and will be returned by Registered Mail after examination. Players who have been previously registered need only submit their previous registration number or previous player card.

REGISTRATION FEES

2. Teams from unsanctioned leagues \$15.00

SASKATCHEWAN'S UMPIRES' ASSOCIATION

The Saskatchewan Umpires' Association is an affiliate of the Saskatchewan Baseball Association and is in its sixth year of operation. It was formed in 1959 under the direction of Andy Zwack of Prince Albert, who has since that time been its Umpire-in-Chief.

ANDY
ZWACK

In that time Andy has conducted more than fifty Umpires' Schools, has published several informative and instructional booklets, has established an information bureau for rule interpretation and has done an extensive job of assigning umpires for Association Playoffs. The SUA has done an outstanding job of raising the calibre of umpiring.

The year 1965 will see the establishment of three more categories of baseball under the jurisdiction of the SBA and this, in turn, will mean a greater demand on the SUA for umpiring personnel. It is hoped to bring into its folds all members of the umpiring profession in this province.

The cost of attaining SUA membership is a very nominal \$3.00. For the \$3.00 membership the candidate obtains a crest and current year-bar, a SBA Rulebook, an Umpires' Manual, and a one-year subscription to the Saskatchewan Baseball News. If qualified, the applicant will find himself assigned to Playoff duty during the SBA Provincial and Interprovincial Playdowns.

An application form for membership is found on page 35 and all prospective umpires are urged to send it in immediately.

Teamwork Counts

Teamwork is an important asset in any sport. When teams are evenly matched and the competition keen, the team that plays as a unit has an edge.

The same is true in other things. When farmers formed the Wheat Pool some 40 years ago, they combined their individual efforts to seek a better way of life for all.

Alone, Saskatchewan farmers can do little, but as a team they come out on the winning side.

WESTERN CANADA BASEBALL ASSOCIATION

For two years Saskatchewan has joined with Alberta and Manitoba in Interprovincial Playdowns. During this period Interprovincial Playoffs in Sandlot and Bantam were carried on with Manitoba, and Midget and Juvenile with Alberta.

During March of 1965, the Western Canada Baseball Association was formed, primarily at the insistence of the Saskatchewan body. This is presently formed of the Manitoba Minor Baseball Association, The Alberta Baseball Association, and the Saskatchewan Baseball Association. Provision has been made to name the British Columbia representative at a later date. During 1965, a playdown of these three provinces will be held. The Sandlot and Junior Playoff will be held in the Province of Saskatchewan, the Midget and Juvenile Playoff will be held in the Province of Alberta, and the Bantam Playdown will be held in Manitoba.

This organization is headed by Bob Lacoursiere of Saskatchewan, aided by Fred Lupal of Alberta and Monty Montague of Manitoba.

All entrants into provincial finals will be expected to carry through to Inter-Provincial Playoffs if successful. Once again a travel pool will be set up for travel for SBA teams. During all Playoffs the teams will be assessed 10 per cent of the gross playoff gate which will go into the travel pool. Further details concerning this will be released at playoff time.

Tournament Playoffs

1. Where feasible all playoffs from the lowest level to the Provincial finals shall be conducted on a tournament basis. The tournaments shall be under the guidance of the Tournament Committee.

2. The Provincial finals shall be conducted on a tournament basis. In each, four Zone winners shall meet for the final playoff.

3. Dates and sites of the final playoff tournament shall be arranged by the Tournament committee.

4. Tournament instructions shall be sent out to the teams involved in Provincial playoff tournaments by the Tournament committee.

World Series Draw

The sixth annual "World Series Draw" is being sponsored by the SBA. This is an excellent method for minor league clubs to raise finances. These are pay-what-you-pull type of tickets, and range in price from "free" to 50c. The books bring in \$9.00 and \$5.00 is retained by the selling club. No investment is made by the selling club. Special commissions are available for teams, clubs, associations and leagues handling 25 books or more. Order today—forward the following form.

Junior and Senior Division

Junior and senior leagues are urged to sanction with the SBA, similar to the league sanctioning used for minor leagues. These leagues will receive the same benefits and services with the exception of the provision allowing a team to pick up from within the league to strengthen their roster. These provisions do not apply. Teams will be required to register their regular local league roster only.

The fee for sanctioning a league will be \$2.00 per team plus \$2.00. Teams entering playoffs from sanctioned leagues will pay an extra \$6.00 registration fee. Teams entering playoffs from unsanctioned leagues or direct playoff entries will pay \$15.00 per team.

Teams not in a league but wishing to become a member of the SBA may do so by paying a \$3.00 affiliation fee. This entitles them to membership in the SBA together with many of the association services.
